

## PUBLICATIONS

### Endocrinological Aspects of Somatotropin

Tijdschrift-voor-Diergeneeskunde. 1988; 113(18) : 999-1008

Suurd, G J; Dijk, A J van; Burgt, G M van der; Brand, A

### Bovine Somatotropin : Endocrinological and Public Health Aspects

Onderzoek-bovine-somatotropine-Bijdragen-aan-een-discussiedag,-Zeist,-23-  
Oktober-1987. 1988; 1-9

Brand, A; Burgt, G M van der; Dijk, A J van; Suurd, G J

### Effect of Trace Element Supplementations on the Fertility of Dairy Herds (letter)

Vet Record 20/11/04 683-684

Burgt, G M van der; Livesey C

### An Outbreak of Suspected Botulism in Sheep.

Proceedings 6<sup>th</sup> International Sheep Vet Congress.

17-21 June 2005 page 151

Burgt, G M van der

### Methods for Validating a Computer Model for Targeted Endoparasite Control in Sheep

Proceedings 6<sup>th</sup> International Sheep Vet Congress.

17-21 June 2005, 341-342

Bell, S J; Featherstone, C; Burgt, G van der

### Individual Quarter Agalactia in Dairy Cows (letter) 2005

*Veterinary Record*; **157**:563-564 doi:10.1136/vr.157.18.563-a

May, P; Blowey, R W; Burgt, G M van der

### Role of Minerals, Fertility and Copper Toxicity

British Dairying

January 2007

Payne, J; Burgt, G M van der; Crawshaw T; Livesey C

### Microchip Insertion in Alpacas

Letter Veterinary Record

10 February 2007, page 204

Burgt, G M van der; Dowle, M

### Cattle fertility problems and *Histophilus somni*

Letter Veterinary Record

28 April 2007 page 600

Burgt, G M van der; Knight, R and Clark, W

### Seven Outbreaks of Suspected Botulism in Sheep in the U.K.

Short Communication Veterinary Record

6 July 2007 page

Burgt, G.M van der; Mitchell, E S E; Otter, A A; Hogg, R; Whitaker, K

An investigation into fertility problems in a dairy herd possibly associated with *Histophilus somni* (previously *Haemophilus somnus*).  
Cattle Practice 16 (2) 86-90  
van der Burgt, GM; 2008

Bovine mastitis caused by *Mycoplasma bovis* (letter).  
Veterinary Record 163 (22) 666  
van der Burgt, GM, Main W and Ayling R; 2008

Wallensten A; Moore P; Webster H; Johnson C; VAN DER BURGT G; PRITCHARD G; ELLIS-IVERSEN J; Oliver I 2010 "Q fever outbreak in Cheltenham, United Kingdom, in 2007 and the use of dispersion modelling to investigate the possibility of airborne spread."  
Eurosurveillance 15 (12) 5
